

KCC Renew Project- 2022

Vision: To continue to make our building a more effective ministry tool for engaging new visitors, equipping all ages, and encouraging generational relationship.

Goals:

- To renew our Sanctuary to match the Fellowship Hall decor.
- To renew our stage to make it more usable for our worship team, youth programs, etc.
- To renew the Sanctuary with a more open floorplan & design that will provide more seating and create more room for fellowship in the back “Foyer” area.
- To renew the front classroom area into a Community Room that will provide a place for Coffee Connect and generational connection, while still providing the option of closing the double doors for a meeting or class.
 - Coffee Cart- This will provide a place for our students to be involved in serving our church in making specialty coffee drinks.

Phases of Development

- Our goal is to raise the funds and accomplish each phase as the resources become available.

Phase 1

Project: Painting Sanctuary

- Match colors to Fellowship Hall Colors-Grey/White
